

Relation to the Poets Henry Vaughan (1621 - 1695) and George Herbert (1593 - 1633)

These two metaphysical poets are

both descended from Sir Dafydd Gam
 ap Llewelyn ap Hywel, who was descended
 from Einion Saer ap Rhys, who was descended
 from Trahaearn ap Iwgon (b. 1130), the
 brother of my ancestor Cydifer ap Iwgon (b. 1133).
 They were descended from Price Bledwyn ap Maerach
 (1024 - 1093).
